I understand that space is limited for the CINMS/CINP *Channel Islands Naturalist Corps* program. In the event that I am selected as a volunteer I will attend the required training (I can miss only 1 session), attend monthly meetings (I can miss only 2 meetings), be responsible for at least 1 day of service per month during the field season, and participate for a minimum period of one year. I expect to spend approximately 120 hours per year, plus 30 hours for training the first year.

*I have read and understand the Naturalist Corps position description.
